## **Point to communicate from the PCC**

The PCC have met with David, Bishop of Basingstoke and Archdeacon Richard Brand to discuss the vacancy now John has retired. One of our main tasks is to create a Parish Profile which sets out who we are, our vision, our challenges and opportunities; together with a role profile outlining the attributes of who we would like to apply to help us achieve our vision.

To help us in this process, there are two ways we would welcome input from our Church family. First, it would be good to know what you would like to see in our next Rector and what you would particularly want them to do or be involved in. Secondly, we want to include quotes and soundbites from you regarding what you like about our church, the people, the welcome, the teaching, the worship, the outreach and mission, children and youth work or anything else.

We stress that the content of the final document will be decided by the PCC and we will not necessarily be able to accommodate all views expressed or quotations given.

Please speak to one of the PCC members or feed it through your home group leader by 25th May, on which date the PCC meet to discuss progress on this important document.
