Guidance for Lone Working in church

Safeguarding - For Church Key Holders

Lone Working - At church when there is no church service.

Note: If you loan your church key to anyone please make sure they have read these guidelines for safer working.

If you have occasion to enter one of the Parish's churches then please adhere to these guidelines as far as possible.

1. Always get someone to accompany you. If that is not possible, ensure someone knows where you are and how long you are likely to be.
2. Lock the door behind you.
3. Take a mobile phone with you.
4. Do not climb on pews, chairs or ladders unless someone is with you.
5. If there are electrical faults please inform a Warden even if it is a simple trip switch on a fuse board.
6. Please report any leaks to a Warden ASAP.
7. Do not attempt to lift heavy items without help
